The attached bill is for your information only. [] has already brought this legislation to Mr. Sporkin's attention.

There are problem sections in the bill (e.g., section 102(c) and (f)(6) re DISP, section 107(a)(1) re mandatory access), but no intervention on the Hill is appropriate until it appears that there is some likelihood of committee action on the bill.

We will keep you advised of developments on foreign investment legislation in the 98th Congress.
